What's Happening at JCCDC?

JCCDC will participate in the Focus Area Two Monitoring Protocol the week of January 15, 2018. Head Start monitoring protocols are used by the Office of Head Start (OHS) to gather data and other information to assess our program operation and performance. Reviews are held for the Classroom Assessment Scoring System (CLASS®), Focus Area One, and Focus Area Two. OHS uses the information collected during reviews to understand our approach to program design and services.

The information is also used to evaluate our performance and continuous program improvement. Because this protocol is divided into six sections, there will be an opportunity for reviewers to have discussions with staff, the governing body, Providers and families. Please be available to share in these meaningful discussions if requested doing this event.

Tips for a Positive New Year!

1. **Stay Positive.** You can listen to the cynics and doubters and believe that success is impossible or you can trust that with faith and an optimistic attitude all things are possible.
2. **Talk to yourself instead of listen to yourself.** Instead of listening to your complaints, fears and doubts, talk to yourself and feed your mind with words of truth and encouragement.
3. **Post a sign that says "No Energy Vampires Allowed."** Gandhi said, "I will not let anyone walk through my mind with their dirty feet."
4. **Don't chase success.** Decide to make a difference and build meaningful relationships and success will find you.
5. **Live your purpose.** Remember why you do what you do. We don't get burned out because of what we do. We get burned out because we forget why we do it.
6. **Trust that everything happens for a reason** and expect good things to come out of challenging experiences.
7. **Don't seek happiness.** Instead live with love, passion and purpose and happiness will find you.
8. **Smile and laugh more.** They are natural anti-depressants.
9. **Enjoy the ride.** You only have one ride through life so make the most of it and enjoy it.
10. **Implement the No Complaining Rule.** If you are complaining, you're not leading.
